

Passe Partout — design Magis, 2014

As its name suggests, Passe-partout is a table suitable for any space and occasion, as well as looking great with any chair from the Magis catalogue.

Passe-partout offers solutions for all settings: from bars and restaurants to homes or offices.

There is a version with a stainless steel base and column, and small, round HPL tops (in three different heights), particularly suitable for contract purposes, and another with

four legs and rectangular sheet steel tops (available in four sizes), better-suited for dining rooms or meeting rooms.
