

Le Chien Savant — design Philippe Starck, according to an idea of C. Bavaud, 2013

Le Chien Savant has taken it into his head to make all children as clever as he is. What a shame there's not a dog like him for grown-ups, too.

Philippe Starck

Despite his thousands of projects - completed or in the making - his global fame and his tireless protean inventiveness, we must never forget the essential. Philippe Starck has a mission and a vision: creation, whatever shape it takes, must make life better for the largest number of people possible. Starck believes this highly poetic, political, rebellious, benevolent, pragmatic and subversive duty must be borne by all, and he resumes it with the humour that has accompanied his approach since the earliest days: "Subversive, ethical, ecological, political, fun: this is how I see my duty as a creator. No one is obliged to be a genius, but everyone has to take part."
